## PHILOSOPHY

Our philosophy at Claymont City Schools Preschool is based on the belief that all children benefit from developmentally appropriate practice. Developmentally Appropriate Practice (DAP) includes the following – Creating a caring community of learners; Teaching to enhance development and learning; Planning curriculum to achieve important goals; Assessing children's development and learning; and Establishing reciprocal relationships with families. We believe that the four basic areas of development - social/emotional, physical, cognitive, and language - are closely related and often overlap. Each child is unique with specific interests, experiences and learning styles. Understanding these individual differences allows us to provide different strategies so that all children will succeed as learners.

The learning environment is designed so that children feel a sense of safety and belonging. The space is created so that children may explore, make things, experiment and pursue individual interests. The structure of the day is established so that there is a predictable use of time so that children feel security and reliability.

We believe that children use process skills to master content knowledge in areas such as literacy, math, science, social studies, the arts and technology. These process skills involve observing and exploring the environment and manipulating objects to understand how things work. Using these skills allows children to make connections linking new learning to prior experiences.

The teacher's role in the preschool environment is to observe children, guide learning and assess progress. This is an ongoing process in which teachers interact with children continuously and make decisions about when and how to respond to meet individual and group needs.

We feel strongly that home and school are a preschooler's two most important worlds. If home and school are connected in positive and respectful ways, children feel secure. At Claymont Preschool, we strive to develop a relationship with every family so that we may focus on children's healthy development and learning.

## CURRICULUM

Our curriculum's foundational base is derived from Assessment, Evaluation and Programming System (AEPS) coupled with Kristie Pretti-Frontczak's Big Ideas and alignment to the Ohio Early Learning and Development Standards. These form our blueprint for planning and implementing a developmentally appropriate program based on theory and research. We use this program as a guide in developing the structure of our day, which includes a balance of quiet/active, small/ large group, and child-initiated/teacher-directed activities. What remains consistent is our philosophy and decision making structure and our knowledge of how and what children learn, the importance of the learning environment, and the role of the teacher and family. This research-based curriculum also focuses on several interest areas (learning centers), such as blocks, dramatic play, toys & games, art, library, discovery, sand & water, music & movement, cooking, computers, and outdoors. These centers are incorporated into our daily schedule and meet children's developmental needs so that they may become independent and confident learners. We also utilize the World of Wonders early childhood literacy program to help children build a strong foundation of early literacy skills.

## GOALS

- To provide a quality program using developmentally appropriate practices that meet the individual needs of each child.
- To provide a safe and predictable environment that allows each child to develop a positive self-image, a love of learning, and acceptance for individual differences.
- To develop a positive relationship with families to extend learning at home

- (C) The center's actual methods of discipline shall apply to all persons on the premises and shall be restricted as follows:

## DISCIPLINE TECHNIQUES

Discipline techniques will be positive and emphasize the development of self-discipline. School-wide Positive Behavior Intervention and Support (PBIS) and Crisis Prevention Intervention (CPI) provide a framework and strategies for helping students. Redirection, verbal prompts, visual prompts, modeling, and when needed, physical prompts will be used for teaching skills as well as discipline programs. It is our goal to give the child effective techniques to develop self-control. They include:

- Guiding the child before the problem develops
- Offering reasonable choices to the child
- Ignoring inappropriate behavior whenever possible (not when instances of safety are questionable)
- Redirecting the child to more appropriate activities
- Reminding the child of the rules and consequences when needed; to allow the child to choose the way he/she will handle the situation
- Discussing with the child privately about his/her actions and feelings, and other ways he/she could have handled the situation
- Providing an opportunity for "time out" away from the group or situation
- Consulting with the parent or supervisor to discuss alternatives which may involve the development of an individual behavior management program
- Holding children, not with anger, but with care for their bodies and feelings until they have regained self-control

The purpose of these programs is to empower adults to consciously respond to daily conflict, transforming it into an opportunity to teach critical life skills to children. Conscious Discipline has been a longtime leader in the integration of classroom management with social-emotional learning, utilizing everyday events as the curriculum and addressing the adult's emotional intelligence as well as the child's.

## DISCIPLINE POLICY, TECHNIQUES, & ADMINISTRATION OF MEDICATION

## COMMUNICABLE DISEASE

Preschool staff has been trained to recognize signs and symptoms of communicable disease. Should an illness arise, we follow the Department of Health "child day care communicable disease chart" for the appropriate management of suspected illness. When a child becomes ill at school, he/she is isolated from the other children and made as comfortable as possible until parents or guardians arrive. To return to school after an illness, a child should be free of the following symptoms for 24 hours:

- Vomiting
- Diarrhea
- Fever

You will be notified by telephone if your child displays any of the following symptoms at school:

- Temperature of 100 degrees Fahrenheit (a child should remain at home for 24 hours **after** the fever is gone and/or prescribed antibiotics administer for 24 hours before a child returns to school).
- Unusual spots or rashes
- Severe coughing and/or a whooping sound, causing the child to become red or blue in the face
- Difficult or rapid breathing
- Vomiting (child should remain home for 24 hours after the last episode)
- Diarrhea two or more times in the same day (child should remain home for 24 hours after the last episode)
- Yellowish skin or eyes
- Conjunctivitis (pink eye) (red, "crusty", itchy eyes conjunctivitis or pink eye is very contagious. The child must be kept at home for 48 hours while being treated with antibiotics and should only return to school if there is no discharge from the eyes.)
- Untreated infected skin patch(es)
- Unusually dark urine and/or gray or white stool
- Sore throat or difficulty swallowing
- Stiff neck
- Evidence of lice, scabies, or other parasitic infestation
- Fatigue (for any reason), lethargic behavior
- A runny nose if there is colored nasal mucous.

Please call if your child has a communicable illness or infestation, such as chicken pox, conjunctivitis, pin worms, fifth's disease, mites or head lice so we can exercise additional control methods and notify other parents. Your child's identity is protected. A notice to all parents or guardians will be provided when a child or children within a program is exhibiting signs or symptoms of illness or has been exposed to a communicable disease such as pink eye, ringworm, chicken pox or lice.

## LICE POLICY

Claymont City Schools has a no-nit policy. Students found with head lice (live or nits) will be sent home. The student must be checked by the nurse or by the Claymont Preschool Staff with a parent and siblings (if within the district) present before returning to school. The nurse will clear the student lice free/nit free. One day's absence for lice removal is excused. Any additional absences are unexcused. If a pattern of reoccurring lice-related absences develop, the matter will be brought to the attention of the Attendance Officer.

### Emergency Contact

A parent or person on the emergency contact list must always be available by phone during school hours. It is the parent's responsibility to have someone available who can come to the school for emergencies or for a sick child

## MILD ILLNESS

If your child is displaying mild illness (such as minor cold symptoms) we will practice and promote proper hand washing and implement disinfecting procedures.

## COMMUNICABLE DISEASE & ILLNESS & IMMUNIZATIONS

## IMMUNIZATION

Ohio law requires all children to be immunized or in the process of receiving immunization before they enroll in school. Local Health Departments are responsible for inoculating children whose parents cannot afford to have vaccinations administered by a private physician. The following vaccinations are required for pre-K children:

- 4 doses of combination Diphtheria, Tetanus and Acellular Pertussis (DPT or DTAP)
- 3 doses of Polio vaccine
- 1 dose of MMR
- 1 dose of Hib (given after 15 months of age, given after 12 month if series of 4)
- 3 dose series of Hepatitis B
- Chicken Pox
- Lead and Hematocrit Testing (see medical form)

Parents may contact the Tuscarawas County Health Department to make arrangements for necessary immunization. If any parent would prefer a list of local physicians, please see the preschool teacher.

## ACCEPTABLE COMPUTER USE POLICY & BULLYING

using the school's technology. Penalties imposed under applicable federal, state, or local laws will supersede any local penalties.

### **Websites Created at School**

The Board of Education authorizes the creation of web sites by employees and students of the School District to be published on the World Wide Web. School web sites must be located on the District-affiliated servers. The creation of web sites by students must be done under supervision of a professional staff member. These web sites must reflect the professional image of the District, its employees, and students. The content of all pages must be school appropriate and consistent with the School District's Mission Statement. Under no circumstances is a web site to be used for commercial purposes or to provide financial gains for any individual. All links included on the pages must also meet the above criteria.

When the website content includes a photograph or information relating to a student, the creator will abide by the provisions of the Claymont Board of Education policy 8330 – Student Records.

### **Copyright- Multi-Media Material**

*Claymont City Schools* encourages the use of electronic media in student projects but the following guidelines must be followed to be acceptable.

- a. Any audio or video clip, whether downloaded or copied from home, must be limited to 10% or 30 seconds for music or 10% or 3 minutes for video, whichever is less. If a longer duration is needed, you must have permission by the owner to redistribute.
- b. Any inclusion of copied Internet material, such as, text, video, audio, or images, must include proper credit to the copyright holder or the work is subject to student rules regarding plagiarism.

### **Use of Email**

*Claymont City Schools* recognizes the efficiencies that can result from the use of technology and authorizes the establishment of an E-mail system for District use. Each person using email must read the following policy and agree, in writing, to the terms.

- a. System users shall have no expectation of privacy in their E-mail communications, and shall not have the ability to deny access to their E-mail by the Superintendent.
- b. The District shall issue a password to each person authorized to use the E-mail system.
- c. E-mail should only be used to support the goals of the district and carry out a person's job description. It should not be used for unsolicited mass mailings and personal opinions in a public forum.

### **Use of Personal Electronic Devices**

Students and staff are allowed to use personally owned devices to access the school's wireless network to support education. Anyone who brings their own electronic device is personally responsible for the equipment and must follow guidelines outlined in Appendix D.

It is strongly recommended that staff use the district's wireless access when educating students, keeping in compliance with the Children's Internet Protection Act.

Student use of the devices in the classroom is based on the teacher's decision on each given day. The administration reserves the right to determine if the device is being used inappropriately and may take disciplinary action, including but not limited to, confiscation of the device. For this policy, a personal electronic device is defined as a device capable of communication with other electronic devices. Use of any of these devices for non-scholastic communication during school hours is strictly prohibited.

## **ACCEPTABLE COMPUTER USE POLICY & BULLYING**

## **Use of Portable Equipment**

While we encourage equipment use, persons must take responsibility for the care of the equipment while in their possession. Equipment damaged or lost by students or staff could result in financial liability for the repair or replacement costs.

**Student Use-** Equipment can only be used for school assignments and must be returned by the next school day. Equipment check-out and check-in procedures must be followed.

**Staff Use-** Staff may use school equipment outside of the building, after getting administrative approval, but must follow building check-out procedures. Network and Internet access is provided as a tool for your education. *Claymont City Schools* reserves the right to monitor, inspect, copy, review and store any and all usage of the computer network and Internet access and any information created, transmitted or received in connection with such usage. All such information files shall be and remain the property of *Claymont City Schools* and no user shall have any expectation of privacy regarding such materials.

A supervising teacher or administrator may authorize the release of directory information, as defined by Ohio law, for internal administrative purposes or approved educational projects and activities.

## **Student Safety and Children's Internet Protection Act**

Each year the District provides education for students regarding online safety and appropriate use within the District's board-approved curriculum which includes, but is not limited to, appropriate online behavior, interacting with other individuals on social networking sites and in chat rooms, and cyber bullying awareness and response.

In compliance with the Children's Internet Protection Act, *Claymont City Schools* employs the use of filtering software to prevent children from accessing offensive sites. (See Appendix C for Filtering Guidelines) Yet in a global network, there is the potential to access controversial materials. If a person finds an offensive site, he or she should report this to a teacher or the Technology Coordinator. The district can then prevent this site from being accessed again. In the event the filtering software is unsuccessful, the District will not be held liable for access to inappropriate content.

## **Online Communities and Cyber Bullying**

Cyber bullying is the act of harassment that takes place via some method of technological media. It is unacceptable to use computing devices or services to propagate abuse that is insulting, rude, abusive, or offensive. Please refer to *Policy 5517.01 Aggressive Behavior Toward Students* for a complete definition of harassment. If a student is being harassed and the effect carries over into school, it does not matter where the offense originates, it is in our best interests to take appropriate action.

## **Important User Information**

Student accounts and email addresses will be automatically purged upon graduation.

Files in staff accounts will be evaluated in July of every year. Staff will be notified with a list of files that have been inactive or unused for an entire school year. At that time a person has 10 days to respond to the notification or the files will be removed.

## **ACCEPTABLE COMPUTER USE POLICY & BULLYING**

**Fees**

Claymont City Schools will charge a \$30.00 technology fee per year for all grades using individual computer systems. The fee is to cover repair of accidental device breakage by students. This fee is waived if a student brings in his or her own Chromebook. The following structure is used per school year for repair costs.

Situation	Outcome
1 <sup>st</sup> accidental breakage	All costs will be covered by the district
2 <sup>nd</sup> accidental breakage	Student will have to pay a \$10 co-payment
Any additional accidental breakage	Student will have to pay a \$20 co-payment
Vandalism of the computer	Student will pay full cost to repair/replace device

Version 13.0 Revised: 03/24/2017

## GENERAL INFORMATION

### OUR SCHEDULE

Students will attend preschool Monday-Thursday according to the Claymont City School District Calendar. In addition, all holidays will be observed in accordance with this school year calendar unless otherwise stated. Please refer to the schedule of preschool activities under Daily Schedule. The preschool day will begin at 8:00 am. Beginning at 7:35 am, you may drop off your child at the designated drop off area (door on Ohio Avenue). Staff will come to your vehicle to get your child. If the child is being brought to the McCrea Avenue entrance they must be accompanied by an adult. Your child will need to be signed in at the office if arrival is after 8:00 am. This will be considered a tardy.

At the end of the day, all students will be dismissed between 2:15 pm until 2:40 pm. Pick up of children will be at the same designated locations for drop-off (Ohio Avenue). For children needing to leave early, please pick up before 2:00 p.m. using the McCrea Avenue entrance. It is important and necessary for you to pick up your child/and or carpool on time. A child whose ride is late experiences great anxiety and worries. It is difficult for the child/children and for the teacher who needs to prepare for the next day's class. We understand that emergencies happen. If an emergency occurs, please give us a call. ***There is a \$10.00 fee per child for each 15 minutes you are late which is payable when you pick up your child. Fees for late pick up must be paid no later than 2 weeks from the occurrence.***

### DISMISSAL

All children are required by law to be placed in a child safety seat. If a child safety seat is not with the child or in the vehicle at dismissal, by law, we cannot place the child in the vehicle. You will need to park and pick the child up at the McCrea Avenue door. Please refer to the brochure provided at enrollment for more information.

### PARENT/CHILD SEPARATION

It is not unusual for a child to become teary when separating from a parent in an unfamiliar situation. Remember, this is a new environment with new faces. A child is bound to feel a little uncomfortable. Adults often have similar experiences when put in a similar situation. Be encouraging. Your smile, eyes and body language communicate a lot. If a child senses any type of apprehension on your part, this enhances their own feeling of uncertainty. Separation is often harder on the parents than the child. Usually once you are gone, the child recovers much faster. You are encouraged to call the office to check on your child's status after your departure.

### ABSENCES/TARDINESS

Regular and punctual attendance is extremely important to a child's success at school. If your child is going to be absent, you must phone Claymont Preschool (740-922-5888) to notify the school. A child returning to school shall be requested to present a note signed by his/her parent explaining the reason for the absence. Absent days cannot be subtracted from monthly fees. If your child has five days of unexcused absences in a nine week period, he/she could be withdrawn from the program. Your child is tardy if he/she arrives after 8:00 am. A note or verbal explanation from the parents is expected to clarify the situation. If your child has more than seven unexcused tardies per nine week period, he/she may be withdrawn from the program.

### CONFLICT RESOLUTION

Because preschool is not mandatory, unreasonable conflicts with the family may result in the termination of your child's preschool "spot". This is at the discretion of the Claymont Preschool Director. Further action may be taken by the Superintendent as needed.

### HOME VISITS / PARENT PARTICIATION

The home-school relationship is crucial to student success. At least two times per year, your child's teacher will come into your home (or other designated meeting place) to discuss your child's progress. Students often look forward to "their turn" to share the teacher with their loved ones. You will be notified well in advance of your lucky day! Parents are encouraged to actively participate in their child's learning. We will have many special days that volunteers will be needed. (Please check the weekly newsletter for information concerning special days.) If you should need to contact your child or observe the care your child is receiving, please feel free to visit our school. You will need to check in at the office upon arrival. Any parent or other individual that is seen as disrupting the learning environment of the staff and students may, at any time, be asked to leave the building. Further action may be taken by the Superintendent as needed.

### PARENT TEACHER CONFERENCES/REPORT CARDS

Report cards will be sent home every 9 weeks. In addition to this, we will have parent-teacher conferences twice a year. Please check the Claymont City Schools Calendar for these special dates.

### SCHOOL CLOSURES

If bad weather forces the Claymont School District to close schools, then our preschool will be closed. Please keep your child's phone number updated to receive school closure or late start notices automatically. If the Claymont schools are delayed for two hours, the morning session will be delayed by two hours. Please keep in mind that it is your choice to have your child attend school on these days. The conditions of rural roads can be very hazardous. The safety of both you and your child far surpass the risk that may be involved in transporting for one day of preschool.

## GENERAL INFORMATION

## **BREAKFAST/LUNCH**

Claymont Preschool students will receive breakfast and lunch at no cost to the family. The preschool will follow the district breakfast and lunch menu.

## **TUITION**

Tuition is due on the last preschool day of each month prior to attendance. See pay schedule provided prior to school starting. For example, the tuition for November would be due no later than October 31<sup>st</sup>. If your tuition payment is received late 2 months during the school year, your child will be immediately withdrawn from the program. If your child misses preschool because of a trip, illness, etc. the tuition fee still must be paid to cover that period of time. Teachers, rooms, supplies and equipment are there. We view registration as a contract or pact between parents and the school. The Claymont Preschool is provided at no cost to those who meet income requirements.

## **SNACKS**

Your child will be provided with an afternoon snack. There will be times when we cook or create our own snack! If your child has a food allergy or cannot eat a particular food for religious reasons, please be sure to notify the preschool teacher. Provisions will be made to accommodate your child's special needs.

## **ADMISSION, PLACEMENT, AND WITHDRAWAL**

Admission of students into the Claymont Preschool Center-Based Program, is dependent upon proof of Claymont District residency, income eligibility guidelines and available space in the classroom. Applications and income verification for the current school year will continue through April. Beginning January 1, Claymont Preschool will start accepting applications and complete income verification for the upcoming school year. Parents wishing to re-enroll their students for the upcoming school year will be required to complete a letter of intent for placement into the Claymont Preschool Program and income verification process for the new school year.

Withdrawal of a student from the program by either the district or a parent results in loss of placement for the student. However the student may be added to the bottom of the waiting list if mutually agreed upon by the parent and the district. Siblings of students attending the preschool must be put on the waiting list, no special circumstances are taken into account due to the fact a sibling attended the preschool during a previous year.

*Placement Consideration pending status of the waiting list and availability of slots:*

- Beginning June 1<sup>st</sup>, students not residing in the district and do not have a disability (IEP), may attend. Availability of Open Enrollment slots not to exceed 10% of program slots.
- Beginning June 1<sup>st</sup>, students who are determined to be under income may attend as a tuition paying student based on over income rates. Parents must complete a waiver outlining fees that would apply through the end of the school year. Income eligibility would be re-determined for students returning the following year.
- In the event a student moves into the district, they will receive priority placement pending eligibility requirements.
- In the event a student with an IEP moves out of district after April 1, the new school district will be contacted. As long as the new district agrees, the student will remain in the current placement.

## **CLASSROOM TEACHER**

All students will be assigned a classroom teacher prior to the start of school. However situations may arise which require the movement of students within Claymont Preschool classrooms to better meet the needs of all Claymont Preschool students. These decisions will be made with input from staff and families. However, the final decision will be the responsibility of the Preschool Director.
