

# Claymont Elementary Newsletter April/May 2019

[www.claymontschools.org](http://www.claymontschools.org)

Well, the school year is quickly coming to an end. Before we know it, summer vacation will be here. However, we need to emphasize to our children that we need to work just as hard this 9 weeks as we did in the beginning. A couple of non-productive weeks can really have an impact on your son or daughter's grades, as well as their education.

Third grade state ELA achievement tests will be done next week (April 2<sup>nd</sup> and 4<sup>th</sup>). Third grade Math will be done April 30<sup>th</sup> and May 2<sup>nd</sup>. Let's keep our fingers crossed and hope our kids do great. Each parent will be notified of the results once we receive them.

Just to give you a heads-up, again next year all student **handbooks** will be on line as well as enrollment forms. We are asking that you view it on the building web page, and print out the last sheet, and sign that you reviewed it.

A special "Thank You" goes out to all of the Parent Volunteers, Ohio Reads Volunteers and Grandparents that have assisted with the parties and events held at the Elementary this school year. We could not have done it without you!
