Education

is worth more than a
POT OF GOLD

Dear Parents:

Spring is quickly approaching and before we know it, the year will be over. However, we need to emphasize to our children that we need to keep going strong. These last couple of months can make a big difference in the education of our children. Many of the children have worked very hard this year and need to be commended; however, at the same time we must encourage them to work just as hard throughout the remainder of the year. The students at the Elementary will be taking a variety of tests including the 3rd grade AIR test (Reading/ELA and Math). It is very important that your son/daughter be here everyday. The 3rd grade ELA test is scheduled to begin the week of March 25th and the Math test to begin April 22nd. **See schedule below in up-coming events for specific testing dates.**

We will begin third grade after-school tutoring Monday March 4th from 3:00-4:00. Notices were sent home if your child needed to attend. If you wish for your child to not attend, please send us a note Monday or call us at 740.922.4641.

The end of the 9 weeks is March 15th. If your son/daughter's workbook fees are not paid they will not have access to progress book for the report card or be permitted to attend the 9weeks celebration field trip on March 19th and 20th. Reminders have been sent. Please send payments as soon as possible. You really need to know if your son/daughter is passing!!!

Our 9 weeks celebration will be March 19th for 2nd grade and March 20th for 3rd grade. The students will be going to North Canton Skate/Game Center and lunch will be provided, **if they meet their goals and have paid their workbook fees.**

SUCCESS STORIES:

Rainbow Collection: We collected \$812.14. Super work guys!

Well once again, thank you for all your help and support. Remember to emphasize to your children how important it is for them to do well on the State AIR (ELA & Math) tests. Your support and encouragement throughout this time would be deeply appreciated.

Thanks for all your help and support!
