FALL NEWSLETTER Vol. II

Dear Parents:

Wow! The first nine weeks is over. The nine weeks ended October 25th. The students have been pretty good! As part of our 9 week celebration, thanks to Life Touch and our Candy bar sales, we had the opportunity to take our students to Alpa Lanes where they bowled for at least an hour and a half.

Also, this year we implemented a new program called "Catchem Being Good". Students who are caught being respectful, kind, cooperative, etc. will be given a ticket. They put their name on it and it is entered into a monthly drawing for a treat.

Fall ELA testing is complete. In the spring, the students will be tested again in ELA and Math using the AIR test from the state. The ELA (Reading), and Math tests have been scheduled for March/April. More specific dates will follow.

On a second note, if you have not heard, grade cards will no longer be printed. Our goal is to get parents to use Progress book. This program gives you daily access to your son/daughters grades for each class. Mrs. Pulley has been working with parents to help set-up accounts, if you have not been able to access that account and need further assistance, please let us know.

Please be advised that workbook fees are due and must be turned in as soon as possible. Workbook fees are \$25.00. All checks should be made payable to Claymont City Schools. Partial payments can also be made.

Parent-Teacher Conferences will be held Monday, November 19th from 4:00 to 7:30 p.m. and again on Tuesday, November 20th, from 12:00 to 7:30 p.m. Forms went home today!

A special “Thank You” goes out to all the folks that attended Reading and Math Day. Although we did not have 100% participation, I believe 85-90% was very good. These days actually give you the opportunity to see what your child is doing during the school day. Our Veterans Day Program was Nov. 9th at 10:00 a.m. with Reading Day activities that afternoon. It was fantastic! The kids did a super job. A special “Thank You” to all the veteran’s that attended. We thank you for your service. If you did not get to attend I know it was in the paper and the video will be on our web page.
