

CLAYMONT INTERMEDIATE
SCHOOL
DECEMBER NEWSLETTER

Dear Parents, Guardians, and Grandparents:

Here we are at Holiday time- ALREADY! It seems like yesterday we were just beginning the school year! Before you know it, the little fat man in red will be sliding down our chimneys!

December activities are kept to a minimum. With the onset of the Holidays, keeping them on track is difficult- at best. Our Christmas program is the highlight of the month.

Whether you celebrate Christmas, Kwanzaa or Hanukkah, the entire staff and I wish you the very HAPPIEST of the HOLIDAY season.

Sincerely;

Mrs. DiDonato

Mrs. Douglas

Mrs. Stewart

Mr. Gates

CALENDAR OF EVENTS

WEEK OF DECEMBER 10TH - Santa's Secret Shoppe

DECEMBER 7TH – Pearl Harbor Day Memorial

DECEMBER 11TH (TUESDAY) – Christmas Program

DECEMBER 14TH (FRIDAY) – Board Game Day

DECEMBER 21ST (FRIDAY) - Dodgeball

SANTA'S SECRET SHOPPE – students will have the opportunity to purchase gifts for family members at our annual Santa's Secret Shoppe. They will be able to shop each morning the week of the 10th. EVERYONE goes on Monday to “scope it out” and see what they would like to buy for the people on their list. After that, as students' bring money, they can go shop. It will be open through Friday the 14th each *MORNING*.

PEARL HARBOR DAY – choir students will be singing the National Anthem at the Pearl Harbor Day Memorial at Uhrichville Park. Busses will transport the kids to the park at 7:45 in the morning for the 7:52 service. They will walk back through the Walking Trail when the service is over.

CHRISTMAS PROGRAM – our Christmas Program will be on Tuesday the 11th at CLAYMONT HIGH SCHOOL Auditoria at 6:30. IF you signed the paper indicating that your child would be present, he/she will be on stage. Watch for details from Mrs. Robinson on the time and place to meet out there! It promises to be a good one!

BOARD GAME DAY – our WONDERFUL PTO purchased Board Games for our classrooms so the students have something to do during inside recess. With all of the electronics, we are finding that many of them don't really know how to play board games, so we are going to teach them!

CANNED GOODS - each child who brings in at least one (1) canned good for the Christmas tree will be eligible to play dodgeball against the staff on the last day before break. It promises to be a fun time for all.

FYI – when dropping students off in the morning when the weather is bad, please, take them to the dumpster. It gets icy between the parked cars and we want to keep the kids on their feet! Thanks.
