March 2019

Dear Parents, Grandparents, and Guardians;

HAPPY ST. PATRICK'S DAY!!!

Will March come in like a Lion? Will it come in like a Lamb? IF you believe the old adage, when it comes like a Lion, the end of the month will go out like a lamb- if comes in like a Lamb, it will go out with a bang... "Buckeye Chuck" didn't see his shadow, so that is supposed to mean an early Spring? We certainly don't know, so we will just have to wait and see!

March is not quite as busy as some other months. Teachers are working on testing strategies. We do have an assembly about robots (rescheduled from a January Snow Day) and Spring Pictures. The end of the third nine weeks also occurs on the 15th. The Celebration and Awards day is on the 29th.

It is very difficult to believe that we are heading into the last nine weeks of school, but we are! With Spring Break occurring so late (April), those nine (9) weeks will really fly!

Baseball and softball will be getting into full swing here soon. While inside practices have been taking place, once the season "officially" starts, the practices will increase as the weather permits and eventually the games will begin. It is always at this time the kids really start to "stray" from studying and learning. They tend to think that the last - half of the last nine (9) weeks are not that important as testing is done. That seems to trigger something in them that they think school is done! We appreciate your help and support as we all work together to ensure that home work gets done, planners get signed, and studying continues.

I am usually at the school by 6:45 and usually don't leave before 3:40 each day, if you need to reach me for any reason.

Remember: On St. Patrick's Day- EVERYONE is Irish! I hope you find the end of the Rainbow!!!

Sincerely,

PTO CORNER

Our PTO is sponsoring a “Pizza Roll” sale. There are two (2) reasons for this sale:

1. The pizza rolls sold by the Fifth graders will go toward their cost for SIXTH GRADE CAMP next fall.
2. The pizza rolls sold by the Fourth graders will go into the PTO account to help cover the cost for the Water Park and a special field trip that the school will go on at the end of the year.

We are looking to make this an annual event so, one year, the kids will sell for the school and the next year, they will sell to raise funds to help pay for their cost of SIXTH GRADE CAMP. Details will be forthcoming, IF you haven't received already.
