NOVEMBER

Dear Parents, Grandparents, and Guardians;

Sometimes, it seems that we go straight from Halloween to Christmas break and the end of the school year! However, Thanksgiving is in there!

November brings with it Parent/Teacher Conferences, the celebration of Veterans Day, followed shortly by Thanksgiving. Not a lot packed into the month, but it seems like a lot with the events we do have.

As we look to November as the month to give Thanks, we also pay tribute to our Veterans- those men and women who have served in the armed forces so that our freedoms might be preserved. As we look to celebrate Thanksgiving, I know there are many who have suffered over the last year; many who have lost loved ones; and many who struggle - financially or through other things they would prefer to not mention. It's very hard to be thankful when we are suffering. My prayer for you all is that you can find some joy in this period of Thanksgiving and that you are able to spend time with family and friends.

HAPPY THANKSGIVING,
