Progress Reports

Progress reports will no longer be printed out. If you have not done so you will need to register by going to www.claymontschools.org and selecting the Progress Book link. If you need the registration code call the office at 922-5641 and Mrs. Tarbert will be able to help you.

Progress Reports

Students in grade 1 progress reports are available on line. The progress report for your child is computer generated directly from the teachers grade book. Please look over the report carefully. The teacher who is responsible for your child's grade in that particular subject is listed at the far right of that subject line (darker shaded line). Your child's actual grade is listed in the second shaded line just below the subject name and teacher name shaded line. An explanation of marks you may find in that line are:

A—100%-92%

B—91%-83%

C—82%-74%

D—73%-65%

F—64%-0%

E—Excellent

S—Satisfactory

MP—Moderate Progress

HD—Having Difficulty

U—Unsatisfactory

The information below the actual grade is specific information regarding what assignment types make up that particular grade. If you have any questions regarding your child's progress report—contact your child's teacher..

End of the 1st Nine-Week Grading Period

The end of the 1st nine-week grading period is Friday, October 27 and report cards will be available for all students when you come in for Parent/Teacher Conferences—November 1 or 2.

Now is the time for your child to maintain or if necessary, turn around their grades if they are not where they should be. Waiting until the last week of the nine-weeks is too late. Please speak with your child daily about school. If you ever have questions, contact your child's teacher by leaving them a voice mail message or by sending a note. Communication between home and school is extremely important and demonstrates to your child the interest you have in their education.

Conference

Conferences are scheduled for Wed. Nov 1 and Thur. Nov. 2. On Monday Oct. 9 we will be sending home a conference sign up sheet. Please fill it out and send it back by Thur. Oct 12 with the best times for you to come in and conference. It is on a first come first serve basis. Please look for this sheet in your child's folder.

Parental Involvement and PTO

We welcome and strongly encourage parental involvement. Please let us know if you would be interested in volunteering your time in our building. It is extremely important to work collaboratively to ensure a positive educational setting for all of our students. We will be scheduling many wonderful events this year and look forward to your participation.

Candle Fundraiser due back October 9th.

Click student demographics and EMA tab and fill out forms. Bus Reminders

Just a reminder that students are not permitted to ride a different bus from their established routine in the morning or afternoon. This means that a bus student has only one route (bus) that they can be picked up on in the morning and only one route (bus) they will be on in the evening for the entire year. Students may not change that morning or evening bus now that it has been established unless the child moves.

If your child usually rides a bus and will be picked up from school or walking, please send in a note letting us know. Without a note you child will go home his/her normal way. We will **not** accept phone calls. We have to have a note form you.

Please don't come into school after 2:00 and sign your child out unless you send in a note, or it is an emergency. This will help keep dismissal time running smoothly. Thank You.

Absent From School

If your child is absent from school please call in and let us know before 9:00 am. The school number is 740 922-5641. If we do not hear from you we will be calling you.

Cafeteria Prices

Remember to take advantage of our Free Breakfast and Lunch for all students this year.

School Fees

Student fees for the 2016/2017 school year are \$25.00. Checks may be made payable to Claymont City Schools or you can use the EZ Pay on the Website. Payment can be made by stopping in the school office during the school day or by sending payment with your child to school. If you feel your child is eligible for a student waiver, you may request an application from the office. Your child's fees are waived only if they are Free lunch.

Dropping Off and Picking Up Students

The drop-off and pick-up location for students is the Trenton Avenue parking lot. **Do not use the bus canopy entrance before or after school for dropping off or picking up your child. It is also very important that students are not dropped off on Trenton Avenue (the street).** It is extremely dangerous for students to be let out on Trenton Avenue and then walk across the parking lot to enter the building. This is for your child's safety as well as the safety of all students.

Students should not be dropped off or arrive at school before 7:00 a.m. as the doors are locked until then. **When dropping your children off in the Trenton Avenue parking lot: 3 cars can pull up, drop their children off, have them exit to the sidewalk near the school. By doing this, it will allow the drop off procedures to be more efficient and not create such a "logjam" in the parking lot every morning.** If you are planning on walking your child to the door after dropping them off, do not park/leave your vehicle in the flow of traffic. Park your vehicle in a parking space. This will allow those behind you to continue the traffic flow, helping to eliminate the build-up of cars on Trenton Avenue.
